

Dear Peabody Citizens,

In order to establish a way to fund the holiday lights in Peabody on a continual basis we are asking for your assistance. We need a way to insure that money is available to maintain the new lights on the buildings, purchase other lights and decorations, and provide a long-term way to handle this program (other than asking for lump sum donations every year).

Attached below is a form where you can authorize \$1, \$2, \$3 or any amount you desire to be included on your water bill on a monthly basis. If a number of people will take this opportunity to contribute to this worthwhile project, it can become a self-perpetuating fund, but we need **you** to help us. We hope this will be the backbone of funding on a **long-term** basis for our holiday lights and decorations. Won't you please help us "Light-up Peabody" during the holiday season? Please fill out the form at the bottom of the page and return it with your water bill or drop it off at the Peabody City Office or Vintage Bank.

If you are one of the many citizens who already signed up for this type of donation last year, your monthly donation through the City of Peabody utility bill is still in effect. There is no need for these donors to fill out the form again.

Thank you for your support and consideration of this endeavor.
